

# WELCOME

The 436th Force Support Squadron welcomes you to the Eagle Creek Golf Course. We believe through our commitment to customer loyalty and exceptional value, our troops and their family members will enjoy their leisure time spent here.

This brochure is provided to acquaint you with the procedures and rules pertinent to play on our course. As you are aware, a great deal of effort has been expended to improve the golfing facilities and the playing conditions. You can assist in this effort by knowing and applying the rules and etiquette of golf.

We consider Eagle Creek Golf Course to be one of the finest golfing facilities in the Air Force; working together we can improve and protect our course and enjoy the recreational pleasure for which this facility was designed. Golf is more than a sport; it is a social event, unique unto itself, in that good manners and good form create an atmosphere of good fun.

## GENERAL

The following rules and regulations governing the use of Eagle Creek Golf Course have been established to protect our course and enhance the enjoyment of its patrons. All players should read this brochure and are encouraged to keep a copy with them while using the golf course facilities.

## ELIGIBILITY (AFI 34-262)

1. Active Duty Military and their dependents
2. Retired Military and their dependents
3. Reservist and their dependents
4. Base civilian employees and their spouses
5. All patrons must have a valid ID card in their possession.

## REGISTRATION

All persons must, prior to use of golf course facilities, present proper identification. This identification will be checked prior to registering. Persons registering without proper identification will be classified as "guests" and charged accordingly. All persons must register in the golf Pro Shop prior to play, annotating information such as active duty, retired, family member of the active duty or retiree, DOD civilian, contract employee or guest.

## GUEST

Guests have the same priority as their sponsors, who must accompany them and be responsible for their conduct. See fee and charges for guest rates.

## JUNIOR GOLF

Junior golf guidelines are made primarily with regard to the safety of our youth. No children six (6) years of age or younger will be allowed on the golf course unless they are accompanied by an adult and they must remain in a golf cart at all times. Children 7-15 years of age may play golf if accompanied by a sponsor 18 years of age or older.

## HOURS OF OPERATION

1. The hours of operation at the golf course and snack bar are based on seasonal weather changes as well as daylight hours. For more information on our hours of operation, call 302-677-2988.

Note: Tee times will start according to the calendar hours, weather permitting. Please call (302) 677-2988 for more current information.

2. Any of the facilities may be closed by the manager on duty. When outside facilities, such as the putting greens, driving range or the golf course are closed, that facility then becomes off limits.

## IN-HOUSE TOURNAMENT

### CATERING

1. Two weeks notice is required to schedule this service. Please call for more information Monday - Friday from 8 a.m. - 3 p.m. at (302) 677-6038.

2. Event sponsors must provide a minimum guarantee on the number of guests to be served. All buffets, cookouts, and picnic meals will be prepared for the number guaranteed and will be charged for that number of people.

3. A party booked by telephone is considered tentative until the party sponsor comes in and signs a party agreement. At this time, a party agreement will be prepared to accurately reflect the sponsors needs.

## GOLF COURSE ETIQUETTE

While it is an old axiom, there is possibly no better advice regarding etiquette than to give your fellow golfer the same consideration you would expect him/her to extend to you.

1. Groups with less than **three (3)** players have no priority and should give way to larger groups.
2. Do not hit until the group ahead is safely out of range.
3. When a hole is completed, move on to the next tee box before marking your scores.
4. Course maintenance personnel have the right of way at all times. For their safety, do not hit until they wave you up or readily acknowledge your presence.
5. Golf instruction on the golf course will not be conducted except by personnel authorized by the Golf Facility General Manager. (i.e. Golf Professionals, etc.).
6. It is suggested that beginning golfers practice and receive instruction before trying to play a game on the course. Beginners should try to play when the course is not crowded. More enjoyment will result for all golfers.
7. There are restrooms available inside the building and out on the course. **PUBLIC URINATION IS NOT ALLOWED**
8. All golfers and patrons are expected to conduct themselves as ladies and gentlemen at all times.
